RE: Tentative Approval  
Rowley Magnesium Plant  
Tooele County, Utah  
ACT/045/008

Dear Mr. McCormick:

The Division has received the Mining and Reclamation Plans which you submitted for the Rowley Plant and placer mining operations and find them to be complete, and in our opinion in concert with the Utah Mined Land Reclamation Act. Therefore, we grant tentative approval to this operation.

As you know, publishing of the abbreviated form of the Mining and Reclamation Plans will now take place, to be followed by a thirty (30) day waiting period. We will let you know when the Division grants final approval to the plan.

Very truly yours,

RONALD W. DANIELS  
COORDINATOR OF MINED LAND DEVELOPMENT
